Induction

Topic title Instruction of new recruits

Topic description (maximum 50 words) responsibilities

I would like to write about one of my responsibilities induction
reminds ad work, the instruction
of new recruits. It's a part of my job
to introduce the new employees into
our department. The student consulting essay
will focus on the tasks and processes
in relation to the instruction and the
emerging problems that can arise.

involved in this induction and training
process

Tutor feedback

This is a good choice of topic. In your
conclusion you could focus on the most
common problems and suggest ways of
solving it.
