Topic title ^{completing purchase orders} ~~Execution of orders~~

Topic description (maximum 50 words)

My topic is the ^{Completion} ~~execution~~ of orders ^{received by} the company TROX GmbH. The orders are sent by ^{various} ~~several~~ customers such as the plant constructors or wholesalers. ^{the} products that are produced in the factory are ^{order-related} ~~order-related~~, so there is ^{no} ~~no~~ ^{very many} ~~many~~ production. TROX has ^{at large amount of} ~~at large amount of~~ products with a lot of variants. The orders are ^{entered manually} ~~inserted~~ ^{into} ~~into~~ the ERP-system. With the information about the ^{address} ~~delivery~~ address, terms, the correct product and the ^{date} ~~time~~ of delivery, the customer ^{receives} ~~gets~~ the order confirmation.

Tutor feedback

This is a good topic to write about Luca.
In your conclusion, you could point out any difficulties or problems and suggest ways of solving them.
